Professor, area of scientific interests: physical hydro and gas dynamics, physics of explosive processes. Physicist, Candidate (1980) and Doctor (1995) Phys.-Math. sciences, professor (1998), head. Department of Molecular Physics (2002), Deputy Dean (1998), Dean of the Physics Faculty of Lomonosov Moscow State University. Member of the Academic Councils of the Faculty (1992) and Moscow State University (1996), four dissertation councils at Moscow State University (2000). Director of the Center for Hydrophysical Research, Faculty of Physics (1991). Member of the Board of Directors of the Moscow State University Science Park (2000). Chairman of the Commission of the Academic Council of Moscow State University on scientific issues (2002). Academician of the Russian Academy of Natural Sciences (2000), Academician of the International Academy of Sciences of Ecology, Human Security and Nature (1977), Member of the Head Council "Health and Human Ecology" (1992), Member of the Expert Council on Ecology at the Moscow Committee for Science and Technology (1980), Advisor Minister of the Ministry of Industry and Science of the Russian Federation (2001), assistant to a deputy of the Federation Council of the Russian Federation (2002). Chairman of the editorial board of the journal "Moscow University Bulletin. Series 3. Physics, Astronomy". At Moscow State University he reads courses: "Physics of Combustion and Explosion" and "Introduction to Molecular Physics". He prepared a galaxy of candidates of sciences, published over 300 scientific papers and a number of monographs.
